The Antelope Titan Band & Guard has an amazing legacy of strong parental involvement and financial support. Participation in the Antelope Titan Band & Guard is an investment in your child's education and development.

Each student benefits from the program and every family should be willing to be "all in" with supporting the program however they are able.

When you think about it, it costs about \$43/mo. for the 10 months a year your child participates in the Antelope Titan Band & Guard. During those 10 months, your child is provided with:

- Top-notch musical or dance/choreography instruction by some of the best instructors in their profession
- Transportation to 5 Field Shows and 2-3 Spring concert events
- All uniforms, costumes and props required for the shows
- The opportunity to be a part of something REALLY BIG during their High School years

The Antelope Titan Band & Guard needs every parents support. Your support means:

- Enthusiastically promoting and supporting our fundraisers and volunteering at fundraising events
- Seeing if your employer offers Corporate Matching Donations – many do and it's free money!
- Making a donation to cover your share of the expenses.

We ask all families to consider a donation of \$212/student, half the cost of supporting one student, which can be paid over four installments of \$53/each between September and December 2017. This amount will fund 50% of the program and will complement our fundraising efforts, which in turn lessens the amount of fundraising needed during the school year.

Payment Schedule Option

Due Sept 1, 2017	Due Oct 1, 2017	Due Nov 1, 2017	Due Dec 1, 2017
\$53.00	\$53.00	\$53.00	\$53.00

What if I am unable to donate? We never want finances to prevent a student from participating in the Antelope Titan Band & Guard. BUT please consider making a donation of any amount to help offset the expense of providing this program to your child.
