

Antelope High School Titan Band/Guard Program

Dear Community Member:

The Antelope High School Titan Band Program is asking for your support for the 2015-2016 Marching/Symphonic Band and Color/Winter Guard season. The Titan Band has already been recognized as a high-achieving, dedicated, and community-focused program.

Our nationally recognized, award winning program relies solely on the generosity of our sponsors and our dedicated friends and family.

In addition to striving to be the best marching band in its class, the Titan Band has a strong community focus. The Titan Band is an integral part of the Antelope High School community, performing at school sporting events and supporting the cheer and dance teams and our famous Red Zone! The Titan Band also proudly marches in community parades, including the Annual Santa Parade and Veteran's Day Parades in Sacramento.

With personal dedication and a strong work ethic, the Antelope High School Titan Band works diligently to achieve the highest level of musical excellence. Our students have created a culture built upon support, encouragement, and respect. This year, over 100 band and guard students will be representing Antelope High School and our community with pride.

We invite you to join Antelope Band Boosters as we work together to provide the funds needed to fully support our band and guard students. As a Booster organization, we assist the band through donation, volunteering at events, supplying meals when they are traveling, helping with equipment and uniforms, transportation and so much more. The additional "boost" we give our Titan Band is what helps our program continue to excel.

As a business sponsor, your support will be recognized according to the sponsorship level you choose. Your donation is completely tax-deductible. We greatly appreciate your consideration of partnering with the Antelope High School Titan Band for the 2015-2016 school year!

Thank you for all you do for our school and our community.

With sincere appreciation,
Antelope Band Boosters Association
